# Ma brouaille ! Des séries ...

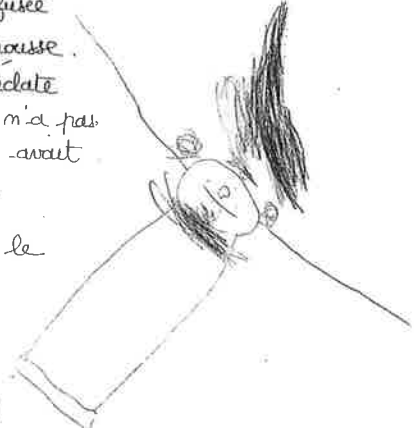

# Mon histoire !

28 MAI 2010 XAVIER

Moi, je m'enrôle dans la fusée que Papa pousse. La fusée éclate parce qu'on m'a pas vu qui il y avait un lanceur de fusée. J'ai touché le réacteur qui s'est décroché et la fusée est tombée super fort !  
A pic.

Mamie vient me chercher.
