Mon Histoire !

Un bateau dans la mer.
Son moteur est devant.
Et la voile...
Dans le vent!

ARTHUR

Ma "tatie" Blolé m'a donné une tortue !

Elle s'appelle Babouche !
J'ai touché sa carapace et elle a bougé.

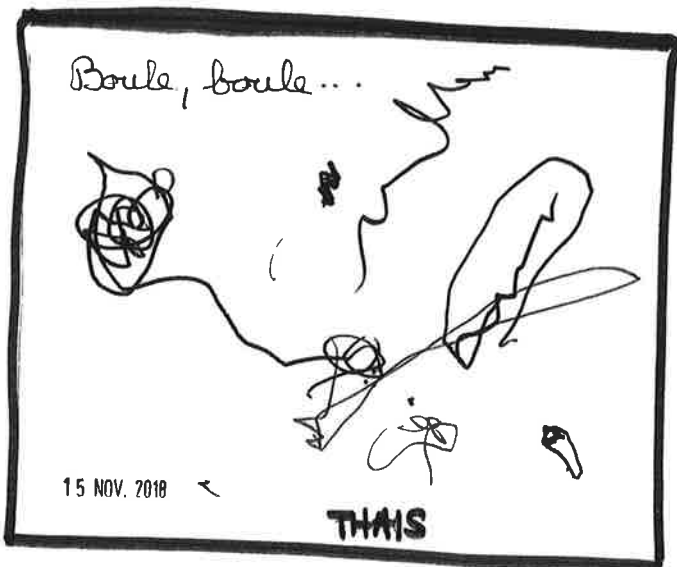

Quand elle s'est réveillée, elle a boude car elle n'était pas de bonne humeur.

Elle vit dans un aquarium avec de l'eau.

Si elle a trop à manger, elle me mange plus et ça se transforme en poussière...
